Pine Rivers - Biggest In-Line Hockey Club in Queensland

Well that's a fact. The Pine Rivers In-Line Hockey Club is the biggest club in Queensland! What a successful sign on day! For such a relatively new sport we secured over 60 registrations on sign on day, with almost all the kids who tried free hockey joining up. Yes it can be quite addictive, once you try it.

Special thanks to all who made sign on day the best so far – Marty Surman at SkateAway for the advertising in the Northern Times, Pine Rivers Press and at the rink; Mark and Helen Cobb for photocopying, folding, stapling and cutting of booklets and flyers, and rescuing banners; Bob Crombie and committee members for distributing flyers to schools; Sue and Peter Andersen for the booklet information, collecting banners, coordinating sign on day; Kayleen Thompson for registrations; Dave Roberts for coordinating free hockey with Paul Eggesfield, Mike Flower, James Trethewey, Andrew Dodkins and Phil Webster; Tammy Andersen for running the pre-loved shop; our young hockey kids who lent a hand – Mike Dodkins, Ben Thompson, Chris Flower, Preston Andersen, Joe Eggesfield, Danielle and Mitchell Roberts, and James Thelander; and all the hockey parents for their patience as we sorted out registrations and fees.

As at the 20th February 2003, our membership stands at 89 and there are still many returning members who haven't registered yet – you know who you are...you need to sign up for QILHA insurance coverage even at training – please see Sue Andersen for a registration form.

With such an enthusiastic and sizeable membership, it was no surprise that the **first In-House League** Training day on Monday 17th February was just amazing – allocating kits, bibs, name tags and taking new registrations for the large turnout. We want to particularly thank all the parents for your patience when the kits ran out and when the Intermediate session became over-subscribed. When games start on 3rd March, there will be a better availability of kits as players are allocated to teams and only 2 teams playing at the same time. However, we would remind you that these **hire kits are not intended for long term hire as we only have a limited number of hire kits available and they are only meant for beginners.** To improve your hockey, it is advisable to have hockey kits and stick *fitted to your size*. SkateAway offers special deals on full kits and club members can purchase individual items at 10% discount. Alternatively, pre-loved gear will be advertised through the club newsletter or at the sign on desk on Monday nights.

In-House teams are being allocated and you will be advised shortly. We are looking for parent volunteers to help manage your child's team. All **parent team managers** will be given coaching on what's involved and how to help your child and his/her team enjoy their games. It's a great way to understand some of the basic rules of the game of in-line hockey. Please talk to the In-House League organisers - Dave Roberts (green shirt), Sue Andersen (sign-on desk) or Mike Flower (sign-on desk) if you are interested in learning more about in-line hockey by managing a team.

Pre Loved Gear

Sponsorships

The Pine Rivers Inline Hockey Club has developed a number of Sponsorship Packages for 2003 Season – March to November 2003. The Pine Rivers Inline Hockey Club is a strong promoter of Junior Sport in the Shire and as a Non-Profit Organization. **All Sponsorships are Tax Deductible!** We believe one or more of our sponsorship packages will suit your needs as a Sponsor of one of the most exciting teams in Queensland's fastest growing sport.

We have sponsorship opportunities for

- In-House team sponsorship \$250, which includes naming of team, **12cm X 15cm Sponsor's Logo** on the back of the In-house Team's Jerseys, **advertisement** in the **Club's Monthly News Magazine** and Sponsor named on the **Sign on Sponsors Board** at the Skating Rink.
- Other sponsorship packages include Associate team sponsor, Dragons team sponsor, Coaches Exchange program sponsor, and Club Named Sponsor.

Besides the **150+ Families** of our club, Sponsors will also reach **all the members and families** of all the clubs in the **Queensland** Inline Hockey Association of over 1500 members, with clubs from **Gladstone to Lismore**, in northern NSW. Our target group covers the entire **Pine Rivers, Caboolture and North Brisbane area**. We also attract players from as far away as the **Sunshine Coast and Toowoomba**.

If you require any special packaging to become a Sponsor, please discuss your needs with the Club President Mark Cobb. Phone 0419 643 682 or (AH) 3325-0323

Special—Free Hockey Bag and Hockey Stick (In store stock only) to the value of \$80 when you purchase a starter kit including the following 4 items, of any brand or models:

1. Helmet with protective face cage
2. Padded Gloves
3. Knee and Shin guards
4. Elbow pads
