BAR-B-QUE FUNDRAISER

Our Inhouse fund raising Bar-B-Que held at Brett's at Windsor raised \$212.00.

A disappointing result but enough for an end of year Pizza Party breakup for Inhouse players.

A big thank you to all the parents who gave their time to help out on the day. A hearty thank you to Brett's for the donation of the wheelbarrow we are using as part of our raffle prize.

State Titles 2012

Our 2012 State Titles B Grade Team: Pine Rivers Bs

Beginner hockey began back in 2011, as an initiative to get parents of in-house players playing hockey.

Of the original 25 beginners, only 5 originals remain and they are all parents of in-house or dragons players. However, new members are constantly joining the group and we now have a core group of about 17 players who have been consistently attending for about the last 8 months (although generally we have about 10 or 11 in attendance at any one time. Most of the new players are not parents of in-house or dragons players. This core group ranges in age from 17 to 49 with 4 players under 20, 7 players in their mid 20s to mid 30s and 6 players in their 40s. Currently 3 of the players are women and the rest are men.

For most of the core group, beginner hockey has been their first and only experience of in-line hockey and as such for many has been a real challenge – especially for those that could not even skate when we started. But the perseverance has been such that this year, a team of 10 floor players and 1 goalie from the beginners group entered a team to play B Grade at the Queensland State Titles Competition recently held at Digi Skate Rink in Browns Plains.

State Titles was a fantastic experience and a massive learning curve for those of us who entered.

Although most of us were beginners, our State Titles team did also include a couple of more experienced players: Kat and Matt, who were a great help to the uninitiated. Also many thanks go to Pete Andersen who couldn't play because of a non-hockey related injury but helped us immensely by directing us from the bench.

Although, we have not had the benefit of an official coach, we have been fortunate enough to have Warren Miller organize training drills for us to practice hockey skills and we are very grateful to him for all his efforts. We would also like to thank Grant Myers for his pre-tournament help with “game play tactics”. This was absolutely essential training for us, as many of us had never played a proper competitive game before the tournament.

Although we did not win any games at the tournament, we definitely improved significantly with every game played. We enjoyed it so much, that we have been inspired now to enter a team in the South East Queensland B Grade Winter Season Competition, which takes place on Wednesday evenings at Digi.

Our new B Grade team will be called Knights of Pine Rivers and we are all very excited and looking forward to playing in the winter season. Who knows, we might even manage to win 1 by the end of the season. As you can probably tell, we don't take ourselves too seriously and most of us play purely for the fun of the game and the benefit of the exercise involved in playing this exhilarating sport.

Thanks guys and girls for being such a great bunch of people to play inline hockey with. You all make it so much fun.
